## 1.E Conclusions

The Cross River State 2023 Budget of Quantum Infinitem is focused on enhancing the overall collective well-being of the people. The government remains committed to improving on transparency and accountability in reporting the journey so far in term of how the budget is implemented in all sectors including but not limited to economic, social and general administration. The State budget performance in first quarter is fair although its progression was hindered by a shortfall in accrued inflow particularly with regards to dwindling revenue as a result of statutory deductions to service facilities. However, giving a breakdown of the 2023 budget, 31% of the budget is for recurrent expenditure, while capital expenditure is 69%.

The recurrent expenditure includes payment of salaries, gratuities, pensions while the capital expenditure of 69% is billed to cater for the completion of outstanding projects.
