

CROSS RIVER STATE

2020 AMMENDED COVID RESPONSIVE CITIZEN'S BUDGET

[BUDGET OF OLIMPOTIC MERISTEMASIS]

INTRODUCTION

The citizen's budget, since its maiden edition in 2012, has become a mandatory publication because of its relevance to the greater majority of the populace. It is important to point out that the production of the citizens budget is driven by our digital Governors commitment to accountability and transparency in governance. The content of the citizen's budget has a summary of the expected inflows and the budgetary allocation to the respective sectors. It is hoped that those who cannot afford to go through the detailed budget would avail themselves of the opportunity provided by the citizen's budget.

2020 POLICY THRUST.

In the 2020 Budget year, this administration is committed to creating a conducive platform for enhanced foreign direct investment.

The budget tagged "Budget of Olimpotic Meristemasis" has at its capital expenditure as N70,793,770,665.91 billion representing 48.13 percent of the budget and a recurrent expenditure of N76,293,478,208.00 billion, representing 51.87 percent of the budget.

The budget is one that is anchored on a belief "in the spiritual force which is the third energy.

Meristemasis is the active cell that stimulates growth in a young plant, which in this case represents the state, the budget will catalyze into existence a great opportunity for us all to put our hands and legs on the pedal and fill it off.

The sectoral breakdown as captured in the budget, has the General Administration sector gulping N10,411,329,136.00 billion, Economic Sector N24,298,811,471.00 billion, Law & Justice N390,288,831.00 million while Regional Sector will get N7,062,000,698.00 billion and Social Sector to gulp N28,631,340,531.00 billion. In addition, a provision of N24,863,840,531.00 billion has been made for Covid responsiveness, as shown in the table below:

AGENDA

The prosperity agenda set for this state does not allow the opportunity of an envelope budgeting. Our budget prescribes the actual cost element while the intellectual financing shuns the cost because the ambition so expressed allows us the latitude to drive with to ensure that we guarantee that all aspects of the budget so provided are driven.

2020 AMENDED CITIZEN BUDGET FORUM ORGANIZED BY THE DEPARTMENT OF BUDGET MONITORING AND EVALUATION OF GOVERNOR'S OFFICE

**VENUE: THE AUDITORIUM OF COLLEGE OF HEALTH TECHNOLOGY,
CALABAR**

DATE: JUNE 11TH, 2020.

Fig. 1. Cross Section of Government functionaries, Traditional Rulers and Civil Society Organization steering the meeting.

PREAMBLE

The Department of Budget Monitoring and Evaluation of Governor's Office as its statutory responsibility, organized a forum for Stakeholders to make input for the review of the Amended 2020 Citizen Budget. The Forum had its theme as **“COVID-19 COMPLIANCE BUDGET”**.

The Forum was declared open by the Honourable Commissioner for Finance, Mr. Asuquo Ekpenyong after the Special Adviser, Budget Monitoring and Evaluation, Rt. Hon. Abeng Moses Onoh and the Permanent Secretary, Ministry of Finance, Barr. Ikang Gabriel Francis presented opening and key note addresses, respectively.

In attendance at the Forum were some members of the State Exco, Chairmen of Boards and Commissions, Traditional Rulers, Civil Society Organizations (CSO's), NGO/CBOS, Professional groups, Budget Officers from MDAs and a Cross Section of students.

**Fig. 2. Cross Section
of Participants
undergoing
registration**

PRESENTATIONS DURING THE FORUM

Heads/Representatives of Heads of MDAs took turn to present their score cards for the first five months of implementation of the approved 2020 Budget and their reviewed projections for the remaining months of the 2020 revised budget. This prompted questions, reactions and responses from those present in the forum. Presentations were delivered by MDAs.

ISSUES RAISED AT THE FORUM

❖ Ministry of Local Government Affairs, audience asked

- (i) Why the Budget Office allocated so much to the ministry for the conduct of Local Government Elections?
- (ii) Is the conduct of Local Government Elections no longer the statutory responsibility of Cross River State Independent Electoral Commission (CROSIEC)?

In response to the questions above about allocating N1, 500,000,000.00 for the conduct of Local Government Council elections, the Special Adviser budget had this to say:

- (i) That the amount has been fixed for well over five years. He also advised that those doubting should check the chat of account of Ministry of Local Government Affairs in the previous year's budgets.
- (ii) Furthermore if in the previous years when inflationary trend was in one digit, that same amount was provided to conduct council elections; when inflation is in two digits, so why query for the amount?

He also informed the forum that elections will soon be conducted by Cross river Independent Electoral commission, so people ruled out the rumors of National independent Electoral body conducting elections for councils.

**Fig. 3. Presentation
by participants**

- ❖ State Agency for HIV/AIDs (SACA), participants were asked what the MDA has done or arrangement for those living with HIV/AIDs and the Aged who are said to be more vulnerable to coronavirus pandemic, so, the response was that such people are already captured by ministry of Health. The members of NGO advised that provisions of Covid-19 should be provided in the Agency.
- ❖ Participants asked what measures has the MDA put in place to ensure that:
 - (i) Water is made sufficiently available to its citizenry taken cognizance of the fact that Water is one of the components for the fight against COVID-19 Pandemic?
 - (ii) Counterpart funding projects, as, it affects water and its supply, in the State are executed to its logical conclusion?

Again, the NGO advised that Covid-19 provisions should be provided for CRS Water Board and the sum of N 800,000,000.00 was allocated to the Agency for water expansion.

- ❖ Cross River State Scholarship Board's participants (Students and Civil Society) enquired to know:
 - (i) How the budget affects them as students
 - (ii) Whether humanitarian plans are set for students
 - (iii) What is the Board doing to ensure that award and payment of scholarship for overseas study, local scholarship and Bursary, does not end with the previous government.

It was agreed with the NGOs that Scholarship should top government priority. So the Agency was given the preference of not reducing its budget.

- ❖ Ministry of Agriculture presentation also provoked questions from the participants ranging from
 - (I) Why should the MDA embarked on so many projects at a time?
 - (II) Are all these projects functional?
 - (III) Why not the MDA present a realistic budget implementation of Agric projects that is the need to be executed in phases

**Fig. 4. Response
from Civil Society
Organization**

RECOMMENDATION

At the end of the forum, participants made the following recommendations:

- That the budget as amended is a welcome development and that it should be executed accordingly, otherwise the purpose for the budget review would certainly not be achieved.
- That the State Government should, rather than closing the already existing internal revenue generating points in the State, explore to open more points.
- The State should as matter of urgency, introduce modern mechanism to plug all loopholes in revenue collections, for the State is losing much of its revenue to touts.
- The Government should ensure that it plays active role in its counterpart funding projects to allow Cross Riverians benefit from Donors.
- That political heads in the various MDAs should allow their Heads of accountant to advise them financially in decision making. This is to discourage overblown budgetary provision.
- That efforts should be made to complete projects like Garment factory, Pharmaceutical industry, Rice and Cocoa processing factories as to value change to cash crops. Also, the industries will in turn generate funds for the State.

COMMENDATIONS

The forum expressed delight over the cross River State Government continues involvement of our Royal fathers, students among others in its projects, most especially in that of citizens budgeting.

The Special Adviser, Budget Monitoring and Evaluation, Rt. Hon. Moses Abeng Onoh

and his team were not left out as they were also commended for their doggedness, eloquence and fearlessness/displayed while the forum lasted.
